Go Glam!

Every girl needs a little glam jewellery in her life.

Paris loves it. So does Fergie. And we're sure you will, too. Introducing Glam jewellery, a line so full of colour and style it will provide an instant blast of colourful bling bling to any outfit. This everyday luxury jewellery line is guaranteed to make any girl stand out in a crowd. The über-chic accessories, designed by Monica Graves, were a big hit among celeb performers and presenters at the 2006 Much Music Video Awards, and they are sure to be a hit with trend-setters across the country.

The fun, fresh and charming accessories provide the perfect amount of glitz, whether you're going to the prom or homeroom. Spice up your back-to-school wardrobe with Glam's semi-precious stones and glass beadwork.
